- Machine Room
- Central Instrumentation Room

Library

The learning and resource center (Library) is the hub of all intellectual and academics. The library has a large pool of resources viz. latest world class Marcel Dekker series of pharmaceutical sciences, Indian and international journals, Pharmacopoeias (USP, BP, IP, EP) and many more that makes it as diverse as pharma industry. Besides periodicals and references we keep the students up-to-date with the latest through the digital library that includes CDs, audio-visual, internet section, reprographic section.

Hostel

The institute provides hostel and mess, embedded with all modern facilities. Separate arrangements is available for girls and boys. 24 hours internet and Wi-Fi facilities is available in hostel. The security issue of all the students can't be compromised, so they remain under the supervision of wardens and the hostel is regularly guarded by the security staffs.

Audio-Visual Centre

Our Institute has a fully air-conditioned AV centre for lectures, seminars and demonstration by the regular and visiting faculty members with all modern communication aids like Overhead projectors, Slide projectors, Wide screen TV's, Video representation and central audio system for quick and better assimilation by students. Seminars on a variety of subjects are organized by a blend of experienced and new generation highly talented faculty members.

Animal House

College maintains separate animal house. As per CPSEA guidelines our animal house can easily be termed as animal block and is comprised of rooms where the animals are housed and utilised for different experiments. We always have rats, mice of different strains, guinea pigs and rabbits. There is also a tank where the frogs are housed.

Herbal Garden

Herbs are valued for their prolific medicinal properties since ancient times. We have a well maintained medicinal garden in our campus with varieties of medicinal herbs to disseminate their therapeutic qualities to the students.

Transport Facility

We have buses and other vehicles available for transportation. Our drivers are specially trained to deal with students softly so that any undue impact can be avoided on the student's minds. The transport facility is available from different points of Lucknow City.

DRESS CODE

India is known for its multi-layered and multi-cultural society, several communities co-exist in India, and within these, several economic classes. Fortunately, our bright and intelligent students come from all communities and all classes. However, within the

confines of an academic environment where a serious academic stream is being pursued, a unifying factor is needed to bind students from all backgrounds together.
